Seeding Rate                      7.00 PLS Pounds Per 1000 Square Feet  
                                                  300.00 PLS Pounds Per Acre

DOT MULTIPURPOSE is a low-maintenance, low-profile mixture that can transition from a high-visibility, high-quality fine turf applications to sites where 1 or 2 mowings per year are desired. Frequently used in large commercial lawns, vineyards, orchards, and nurseries as permanent roadways. Transitions well from full sun to shaded areas and is very drought tolerant.

Recommended seeding rate 6-8 lbs per 1,000 sq ft.
