TOTALS:		100.00%	328000		100.00%	350.00	100%

*Varieties may change at time of blending.

Seeding Rate 8.00 PLS Pounds Per 1000 Square Feet
 350.00 PLS Pounds Per Acre

Northwest Supreme is a beautiful fine lawn mix that has lower fertility requirements than 100% perennial ryegrass blends. Combines the quick establishment and genetic color ratings of turf-type perennial ryegrasses with the shade and drought performance that comes with fine fescues. Transitions well from full sun to shaded areas. Excellent disease resistance.

Recommended Application rate is 8-10 lbs. per 1000 sq. ft.
